During an official dinner held in Sondrio in July 2003, the then Italian President Carlo Azeglio Ciampi and his wife Franca tasted a very young, experimental rose Muscat, and they fell in love with it. Seven years and a few changes later, this rare wine specialty was presented to the public. *Vino del Presidente* is the result of carefully selected raisined Muscat Rose grapes grown on the higher vines at the "La Gatta" winery in Bianzone. The intense ruby red colour and rose aroma make it a perfect, well-balanced dessert wine with great character and an elegant finish. Discover the authentic taste and flavour of the Valtellina."
